Disclosure to Learners

Disclosure of Financial Relationships

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, **all** relevant financial relationships, **and** the absence of relevant financial relationships, must be disclosed to learners for all individuals in control of content:

- Before learners engage with the accredited education
- In a format that can be verified at the time of accreditation

The following individuals have reported relationships with ineligible companies, as defined by the ACCME. These relationships, in the context of their involvement in the CME activity, could be perceived by some as a real or - apparent conflict of interest. All relevant financial relationships have been mitigated to ensure that no commercial bias has been inserted into the educational content.

Individual	Company Name	Type of Relationship
------------	--------------	----------------------

No individuals with control over content have no relevant financial relationships to disclose.

Disclosure of Commercial Support

In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, the source of all support OR lack of support from ineligible companies, as defined by the ACCME (including “in-kind” support), must also be disclosed to learners prior to engaging with accredited content.

No commercial support was received.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Emergency Physicians and Tennessee Chapter ACEP. The American College of Emergency Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this Live activity for a maximum of 5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American College of Emergency Physicians has approved this activity for a maximum of 5 hour(s) of ACEP Category I credit.
